not later than 48 hours before each meeting of the county election board. The county clerk/elections administrator shall post notice of the meeting on the county's website, if the county maintains a website.

#### **4. May Uniform Date (Even-Numbered Years)**

With few exceptions, counties are not authorized to hold an election ordered by county authority on the May uniform election date in an even-numbered year. A county elections administrator may refuse to provide election services by contract for an election that is held on the May uniform election date in an even-numbered year. (Sec. 41.001(d)).

#### **5. Required Use of County Polling Places**

**Political Subdivisions other than Counties:** Political subdivisions are not required to use county election precincts and polling places for elections held on the May uniform date. The governing body of a political subdivision other than a county shall establish the election precincts for elections ordered by an authority of the political subdivision and follow the requirements of Sections 42.061 and 42.0615.

#### **6. Notice of Candidate Filing Periods**

The authority with whom an application for a place on the ballot is filed must post a Notice of Deadline to File Applications for Place on the Ballot (PDF), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day **before** the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered.

**NOTE** - The authority with whom an application for a place on the ballot is filed **MUST** designate an e-mail address in the notice required by Section 141.040 of the Code for the purpose of filing an application for a place on the ballot. (Sec. 141.040).

Most elective offices require that a candidate be a registered voter of the territory that the office is elected from as of the filing deadline or as of other statutory deadlines. (Sec. 141.001). For more information on the candidate voter registration requirement, see Voter Registration Requirements for Candidates.

#### **7. Joint Election Requirement for School Districts**

School districts conducting trustee elections must have joint polling places on election day with either:
